Dated: - 9/6/2021

To

All Civil Surgeons

**Sub.- Demand of Drugs for management of Mucormycosis by the treating hospitals**

Reference subject mentioned above, it is hereby informed that currently the patient of Mucormycosis are being treated by Govt. and Private Hospitals of the State. In order to ensure supply of the drugs as advised by the experts and in order to monitor the supply of the drugs:

- i) All Govt. and Private Hospitals of your district should be instructed to send the demand of drugs after verification from Civil Surgeon/ Nodal officer on the prescribed format (attached) at [mucorpunjab@gmail.com](mailto:mucorpunjab@gmail.com).
- ii) GMCs will send the demand on the prescribed format (attached) at [mucorpunjab@gmail.com](mailto:mucorpunjab@gmail.com).
- iii) The drugs will be issued from store of NHM as per available supply of the drugs.

All Civil Surgeons are directed to check the records of all patients of Mucormycosis admitted in the respective districts and verify the quantity of drugs received by each treating hospital and patient under treatment. It is further reiterated that Inj Amphotericin B can be administered/issued to only patients admitted in the hospitals.
